## Jack-o'-lantern Carving Competition

Gather your family or friends—spend some time together, and have some fun using your creativity and carving skills. With bragging rights and a family-fun prize on the line, carve the ultimate jack-o'-lantern for the Jenkins Fall Festival at home. Completed jack-o'-lanterns must be dropped at the festival between 11:30 and 1:30. A panel of judges will determine the winners.

## Halloween Costume Tag Sale

Starting today, pack up those CLEAN costumes that are in good condition and drop them off (on a hanger) in the bin in the Jenkins lobby. Don't store them, donate them! Then, come to the Fall Festival, stop by the Tag Sale and grab a new costume for just \$2. This is a great way to recycle an old costume and save money on a new one.
