

Scituate Friends of Music is holding its Trashin' and Jammin' fundraiser at the Scituate transfer station the weekend of September 24th and 25th. This is a fun event that raises much-needed funds for our schools' music programs. Groups of students will be performing both days between 10 am and closing. So come on by with your trash, listen to some tunes and drop a contribution in the collection box.

If your student wants to gather a group of students to perform, or if you can donate a few hours to assist with the event, please send an email to [meschloss@comcast.net](mailto:meschloss@comcast.net) or go to the Friends of Music website (<http://www.scituatemusic.org>). Thank you!
