

Wampatuck Telephone Directory 2011-2012

Dear Parents,

The Wampatuck Telephone Directory is put together by the Wampatuck PTO and is intended to promote and facilitate communication between the students and families within our school's community. Our experience has been that the Directory is a great tool in helping students to develop friendships and supporting their academic efforts outside of the school day.

We need your initial written permission to include your family's contact information in the Directory.

We will not include your family in the Directory without this initial written permission.

For subsequent years, unless you notify us in writing of your desire to **remove** your family's contact information from the Directory, we will continue to list your family's contact information in the Directory for the upcoming year and all subsequent years while your child (or children) are at Wampatuck Elementary School.

If you do NOT want your family's contact information to be included in the Directory, we request you complete this side of the form and return to the Wampatuck PTO (box outside the main office) providing written notice of your desire not to be listed in the Directory.
