April 21, 2020

Dear Scituate Community,

This afternoon, Governor Baker announced that schools throughout the Commonwealth will remain closed for the balance of this school year. School closure is just one of many sacrifices we are making as a state and a country to combat this virus. As the Governor mentioned, we understand that closing schools for the rest of the year impacts students, families and staff in a myriad of ways. Scituate Public Schools remains committed to our students through our distance learning framework and in the coming weeks, we will share information about creative ways our school communities can engage in some of our spring activities and traditions such as graduation.

While this virus has presented our community with a number of challenges, I remain encouraged by the spirit of Crew I see in our district and our town. I'm heartened by the innovative ways our staff have reimagined educational experiences, how neighbors have helped neighbors and how we have pulled together as one town in the face of this pandemic. On behalf of the entire SPS team, thank you for your partnership and stay well.

Sincerely,

A handwritten signature in black ink, appearing to read "Ron J. Griffin". The signature is fluid and cursive, with a large initial "R" and "G".

Ron Griffin  
Superintendent of Schools
